Beautiful 3 bedroom 2 bathroom single-story home located on a quiet Cul De Sac. This home offers a clean and open floor plan perfect for entertaining guests! There are plenty of windows that allow natural lighting throughout. This home has new carpet, all bedrooms are a nice size, and the family room is large with a fireplace for those upcoming chilly fall/winter nights! The front and backyard have both been landscaped! The front yard has great curb appeal with spacious grass and lots of shade. The backyard offers a large completely redone patio, a nice sized grass area for all activities, and block walls on all sides of neighbors. Schedule a showing today as this home will not last long on the market!
